

School capability for first graders

**Meeting for the parents/guardians of children in first grade bekk will take place in Hvaleyrarskóli
Tuesday August 29th 2017 at 5:15 pm / 17:15.**

Dear parents.

We will be holding a meeting on Tuesday 29th August for the parents of first graders. The main purpose of the meetings is for parents to get to know their children's school, to find their way around to also get to know the people who work here. Additionally, it gives parents an opportunity to meet other parents in their children's class.

The schedule will include presentations and a chance to see the classrooms and meet the teachers.

Each first grader should have at least one parent present at the meeting.

In order for us to prepare for the meeting, it is very important that we know how many are attending. Please inform our school office on 565-0200 or email at hvaleyrarskoli@hvaleyrarskoli.is.

Best regards,
The School principal and staff of Hvaleyrarskóli
